## FOR IMMEDIATE RELEASE

Date: November 2011

Location: Florence, SC

Superior Machine Co. of S.C., Inc. (**Superior**) is proud to announce that Steve Small has joined the Superior Solutions Division in the role as Project Manager.

Steve will be focusing his efforts on the coordination of turnkey projects. Along with his BS in Mechanical Engineering from the University of South Carolina, Steve brings 26 years experience in industrial maintenance and repair. Fifteen of those years have been project management for field service and in-house repair within the chemical, petrochemical, and pharmaceutical industries.

His strengths include: root cause failure analysis, job dynamics, vibration analysis and dynamic balancing, as well as heat transfer and machining.

Superior Machine Company of S.C., Inc. is a privately held company with facilities throughout the U.S. **Superior** serves the steel and aggregate industries with engineering, fabrication, machining and field services.
