Superior Machine Co. of S.C., Inc. (**Superior**) announces the completion of a Caster Spray Chamber upgrade at Gerdau Ameristeel's Cartersville mill during a recent holiday scheduled shutdown.

**Superior's** Vice President of Site Services, John Ham, stated, "This was a fast paced project, and is an example of our "TURNKEY" capability. We had to engineer a major portion of the spray chamber, manufacture new components and sub assemblies, demolish old structure and install the new in a short period. The upgrade was completed in 6 days and included new stainless steel columns, beams and walls."

Superior Machine Company of S.C., Inc. is a privately held company with facilities throughout the U.S. **Superior** serves the steel and aggregate industries with engineering, fabrication, machining and field services.
